Housing and Residential Life

**RETURNING STUDENT HOUSING PREFERENCE FORM
FOR STUDENTS WITHOUT AN ASSIGNMENT**

The office of Housing and Residential Life provides the *Returning Student Housing Preference* form to students who are returning to campus in the spring semester and would like to live on campus. Students **must return the completed form by 4pm on May 11, 2017**. A review of all requests will begin after that date with the majority of assignments completed during the summer recess. Preference will be given to students based on the priority system found in the *Marlboro College Bylaws, Article VII, C*.

Students may submit this form with other students to request a roommate or roommates. While we will attempt to maintain these pairings, in some cases we may not be able to honor such requests due to limited space. Some students may be randomly assigned to an available space in a room with another upper-class or transfer student, either based on the information provided or as space is available. Those students who wish to change rooms may complete a request starting two weeks after the semester begins. **Students residing in the following housing are required to be on meal plan: All the Way, Half-Way, Happy Valley, Hendricks, Howland, Random North, Random South, and Schrader.**

Notification of your new assignment will be sent to you via your Marlboro e-mail address.
